## Work Experience

### Research Team (October, 2024 - Present)

- Enactus, IGDTUW
- Conducted research to support Enactus projects focusing on sustainability and social innovation.
- Part of the Organising Committee for Enactova, a flagship entrepreneurship and innovation event at IGDTUW.
- Coordinated event logistics, outreach, and team collaboration to ensure smooth execution.
- Collaborated with multi-disciplinary teams to align research with real-world impact goals.

### PR associate (September, 2024 - Present)

- Synergy(Sports Society of IGDTUW)
- Manage public relations content and social media outreach for college sports events.
- Draft announcements, handle collaborations, and increase student engagement through targeted communication.
- Create event marketing content using Canva and coordinate with college clubs for visibility.

### Web Development Coordinate (September, 2024 - Present)

- Synergy(Sports Society of IGDTUW)
- Assist the core web team in updating event pages, team sections, and site content.
- Coordinate with designers and developers to ensure timely website rollouts before major events.
- Contributed to minor bug fixes and helped integrate new event registration forms.

### Campus Ambassador (June, 2025 - Present)

- GirlScript Summer of Code (GSSoC)
- Promote open-source culture at IGDTUW by encouraging students to participate in GSSoC.
- Serve as a campus point of contact between organizers and student contributors.
- Support peers with application queries, onboarding, and basic Git/GitHub guidance.
- Previously contributed to GSSoC 2024, gaining hands-on experience in open-source collaboration.

## Organizing Committee Member (Media Team) (December, 2025 - February, 2025)

- IGDTUW Model United Nations (MUN)
- Designed and curated digital content for pre-event promotions and social media outreach.
- Handled live event coverage, including photography, reels, and timely updates across platforms.
- Collaborated with the PR and logistics teams to ensure consistent event branding and visibility.
- Contributed to post-event media wrap-ups and engagement reports.
